Top Cut 4™

Buy 20 inserts, get the drill body FREE

Top Cut 4 indexable drills are equipped with centering capabilities and inboard and outboard inserts delivering outstanding flexibility and versatility in multiple materials. This indexable drill portfolio encompasses dual four-edged front inserts, instead of a traditional drill point geometry, enabling it to perform in a variety of applications on multiple materials.

VariDrill™

Buy 3, get the 4th FREE

A reliable solid carbide drill to exceed expectations in multi-material drilling operations. This drill geometry enables chips to roll smoothly and evacuate easily resulting in noticeably less friction, heat, jamming, and scratching.

Top Drill™ Modular X (TDMX)

Buy X tips, get the same L/D drill body FREE

Example: Buy 3 tips, get 3 L/D drill body FREE

A stable modular drilling platform accompanied by three insert geometry types to machine a variety of applications. TDMX was engineered with a secure pocket seat design to ensure maximum stability in challenging drilling applications like cross-hole, inclined entry/exit, and interrupted cuts.
